Web Marketing

Pre-Show

Promote your Exhibitor Profile in the Exhibitor Directory.

Your Exhibitor Profile will be listed on the Exhibitor Directory. This directory is extensively promoted to potential visitors before the show, ensuring that you have a significant number of visitors at your booth.

Customer Needs Analysis

Pre-Show

The traffic analysis shows the customers' needs.

You can access traffic analysis for your page on the Exhibitor Directory, including information on the number of page visits and which product details are viewed most frequently. Analysing customer interests in advance is beneficial for enhancing your pre-show promotion efforts and designing your booth decoration accordingly.

Lead Generation

During the show

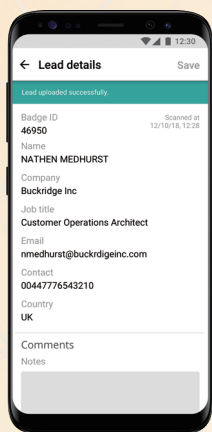

Gather your client's details while you're in the booth.

By scanning the QR code on the visitor badge with 'Lead Capture Services -- Lead Manager (Emperia)', you can instantly view and save the visitors' information.

Leads Visualisation

During the show

Check visitors' information scanned by Lead Capture Services -- Lead Manager (Emperia)

Add rating and memo

You can leave your memo on business meeting.

You can leave memo or result on a 5-point scale on leads and business meetings in 'Lead Capture Services -- Lead Manager (Emperia)' app. This makes it convenient to track the number of leads you generate during the show and their respective evaluations. This makes it convenient to track the number of leads you generate during the show and their respective evaluations.

Follow-Up Simplification

Post-Show

Follow the lead straight after the show.

You can export all generated leads to an Excel or CSV file, enabling you to promptly initiate customer follow-ups after meetings.
